Forward-Looking Statements

This press release contains “forward-looking statements,” as defined by federal securities laws. Forward-looking statements reflect Playa’s current expectations and projections about future events at the time, and thus involve uncertainty and risk. The words “believe,” “expect,” “anticipate,” “will,” “could,” “would,” “should,” “may,” “plan,” “estimate,” “intend,” “predict,” “potential,” “continue,” and the negatives of these words and other similar expressions generally identify forward looking statements. Such forward-looking statements are subject to various risks and uncertainties, including those described under the section entitled “Risk Factors” in Playa’s Annual Report on Form 10-K, filed with the SEC on February 28, 2019, as such factors may be updated from time to time in Playa’s periodic filings with the SEC, which are accessible on the SEC’s website at www.sec.gov. Accordingly, there are or will be important factors that could cause actual outcomes or results to differ materially from those indicated in these statements. These factors should not be construed as exhaustive and should be read in conjunction with the other cautionary statements that are included in this release and in Playa’s filings with the SEC. While forward-looking statements reflect Playa’s good faith beliefs, they are not guarantees of future performance. Playa disclaims any obligation to publicly update or revise any forward-looking statement to reflect changes in underlying assumptions or factors, new information, data or methods, future events or other changes after the date of this press release, except as required by applicable law. You should not place undue reliance on any forward-looking statements, which are based only on information currently available to Playa (or to third parties making the forward-looking statements).

Use of non-GAAP Financial Measures

This presentation includes non-GAAP financial measures. Please refer to Annex A for reconciliations of these measures to the nearest comparable GAAP measures. In addition, please refer to our most recent Annual Report on Form 10-K for more information about these non-GAAP measures including cautionary language on the use of these measures. Our definitions of these measures may not be comparable with measures used by other companies.

Third-Party Information

This presentation also contains information and statistics relating to the travel and tourism industry and the all-inclusive segment in certain markets. Playa has derived such information and data from third-party reports or other sources without independent verification. No assurance can be given regarding the accuracy or appropriateness of such information and data. You should not place undue reliance on such information and data in this presentation.

- (1) As of March 31, 2019, the total borrowing capacity under our revolving credit facility was \$100.0 million. The interest rate on outstanding balances of our revolving credit facility is L+300 bps with no LIBOR floor. As of March 31, 2019, the commitment fee on undrawn balances of our revolving credit facility is 0.5%.
- (2) The interest rate on our term loan is L+275 bps with a LIBOR floor of 1%. The interest rate was 5.3% as of March 31, 2019, which includes the LIBOR rate that was locked in on March 29, 2019 for the 1-month period of March 29, 2019 to April 29, 2019. Effective March 29, 2018, we entered into two interest rate swaps to mitigate the long term interest rate risk inherent in our variable rate Term Loan. The interest rate swaps have an aggregate fixed notional value of \$800.0 million. The fixed rate paid by us is 2.85% and the variable rate received resets monthly to the one-month LIBOR rate.
- (3) Based on cash balances on hand as of March 31, 2019.
- (4) Represents last twelve months interest expense and commitment fee. The impact of amortization of deferred financing costs and discounts, capitalized interest and the change in fair market value of our interest rate swaps before we elected hedge accounting is excluded.
