Please refer to the accompanying proxy statement for further information with respect to the aforementioned voting items. The record date under Dutch law (*registratiedatum*) for the AGM is May 28, 2020 (the “*Record*”

Date”). The Board of Directors has determined that the Company’s shareholders’ register and the register maintained for shares in the Company’s capital by the Company’s U.S. transfer agent are the relevant registers for determining who are entitled to attend and, if relevant, vote at the AGM. Those who are shareholders of the Company on the Record Date, or who otherwise have meeting rights under Dutch law with respect to shares in the Company’s capital on the Record Date, provided in each case that they are registered as such in either of the above-mentioned registers, may attend the AGM and, if relevant, vote at the AGM in person or by proxy. Unless the context requires otherwise, references in this convening notice and in the accompanying proxy statement to “shareholders” refer to the shareholders and others with meeting rights under Dutch law on the Record Date as referred to in the immediately preceding sentence.

Shareholders who wish to attend and, if relevant, vote at the AGM must notify the Company in writing of their identity and intention to attend the AGM no later than 5:59 a.m. CEST on June 24, 2020 (the “*Cut-Off Time*”), such notice to be sent to the Company’s office at 1560 Sawgrass Corporate Parkway, Suite 310, Fort Lauderdale, Florida 33323 to the attention of the Company’s Secretary. In addition, proper identification, such as a driver’s license or passport, must be presented at the AGM.

Please note that, due to the global outbreak of COVID-19 and the related health and safety guidelines imposed by the Dutch government, we urge shareholders to vote by proxy, as described below. If you do decide to attend in person, we may be required to implement additional security measures in order to safeguard the orderly proceedings at the meeting.

Copies of the Annual Accounts, our Annual Report and the proposed amendment to our Articles of Association will be available for inspection by shareholders at our registered offices in the Netherlands, located at Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands until the close of our AGM. The proxy materials, including the aforementioned copies, will be posted on www.proxyvote.com and on the Company’s website, www.playaresorts.com.

Attendance at the AGM is limited to shareholders, Company management and Company advisors. Registration will begin at 10:00 a.m. CEST and the AGM will begin at 11:00 a.m. CEST on June 25, 2020. Each shareholder desiring to attend MUST bring proof of share ownership as of the Record Date along with a valid form of identification. Examples of proof of share ownership include voting instruction statements from a broker or bank. In addition, you should register with the Company by the Cut-Off Time to indicate your plan to attend as described above. Failure to comply with these requirements may preclude you from being admitted to the AGM.

It is important that your shares be represented at the AGM regardless of whether you plan to attend in person. If you do not expect to attend the AGM in person, you may vote your shares after the Record Date but no later than the Cut-Off Time by (i) voting online at www.proxyvote.com, (ii) voting by telephone by following the “Vote by Phone” instructions on the proxy card, or (iii) marking, signing, dating and returning the accompanying proxy card accordingly for all of the shares you may vote. If you will be present at the AGM in person and have also provided a proxy or voted online or by telephone, you may revoke your proxy prior to the Cut-Off Time and vote in person at the AGM.

If you wish to vote the shares you beneficially own through a bank, broker, trust company or other nominee in person at the AGM or by proxy, you must first obtain a signed “legal proxy” from the bank, broker, trust company or other nominee through which you beneficially own your shares.

By Order of the Board of Directors,

Bruce D. Wardinski
Chairman and Chief Executive Officer

PROXY STATEMENT

ABOUT THE 2020 ANNUAL GENERAL MEETING OF SHAREHOLDERS

WHY HAVE I RECEIVED THESE MATERIALS?

You are receiving this proxy statement because you were a shareholder or beneficial owner of shares of Playa Hotels & Resorts N.V. (“*Playa*” or the “*Company*”) on the Record Date (as defined below) for Playa’s 2020 annual general meeting of shareholders (the “*AGM*”). These materials are being furnished in connection with the solicitation of proxies by and on behalf of the Board of Directors of Playa (the “*Board*”) for use at our AGM. This proxy statement and the accompanying proxy card are first being made available to you on or about June 2, 2020.

WHEN AND WHERE WILL THE AGM BE HELD?

The AGM will be held at the offices of NautaDutilh N.V., Beethovenstraat 400, 1082 PR Amsterdam, the Netherlands, on June 25, 2020 at 11:00 a.m. Central European Summer Time (“*CEST*”) for the purpose of discussing and, where relevant, voting on the agenda items described in this proxy statement.

WHICH NON-VOTING ITEMS WILL BE DISCUSSED?

The following agenda items will be discussed at the AGM, but will not be voted on:

1. Implementation of our compensation policy for the Board, which has been outlined in our Dutch Statutory Annual Report for the fiscal year ended December 31, 2019;
2. Our Dutch Statutory Annual Report for the fiscal year ended December 31, 2019, which has been made available for inspection in accordance with applicable law; and
3. Our dividend and reservation policy, which is not to distribute any profits in the near future and to add any such profits to the Company’s reserves for general corporate purposes, such as funding the development and expansion of the Company’s business, making future investments, financing capital expenditures and enhancing the Company’s liquidity position. If and when the Company does intend to distribute a dividend, such dividend may be distributed in the form of cash only or shares only, through a combination of the foregoing (cash and shares) or through a choice dividend (cash or shares), in each case subject to applicable law.

WHAT AM I VOTING ON?

You will be voting on the following matters proposed by the Board (each a “*Proposal*” and collectively, the “*Proposals*”):

1. Appointment of directors;
2. Adoption of the Dutch Statutory Annual Accounts for the fiscal year ended December 31, 2019 (the “*Annual Accounts*”);
3. Ratification of the selection of Deloitte & Touche LLP (“*Deloitte*”) as the Company’s independent registered public accounting firm for the fiscal year ending December 31, 2020;

4. Instruction to Deloitte Accountants B.V. for the audit of the Company's Dutch Statutory Annual Accounts for the fiscal year ending December 31, 2020;
5. Discharge of our directors from liability with respect to the performance of their duties during the fiscal year ended December 31, 2019;
6. Authorization of the Board to acquire shares (and depository receipts for shares) in the capital of the Company; and
7. Amendment of the Company's Articles of Association to remove the ability to issue bearer shares.

WHAT VOTE IS REQUIRED TO ADOPT EACH OF THE PROPOSALS?

Consistent with Dutch law and the Company's Articles of Association, executive directors and non-executive directors are appointed at the AGM from a binding nomination proposed by the Board. The proposed candidate specified in a binding nomination shall be appointed provided that the requisite quorum is represented in person or by proxy at the AGM, unless the nomination is overruled at the AGM by a resolution against the appointment of the candidate adopted by a simple majority of the votes cast, provided such majority represents more than half of the issued share capital. In such event, a new nomination will be made by the Board.

Other than for the appointment of directors, each Proposal requires the affirmative vote of a simple majority of the valid votes cast at the AGM. A quorum of at least one-third of the issued and outstanding share capital is separately required for the adoption of each Proposal. If a quorum of at least one-third of the issued and outstanding share capital is not represented in person or by proxy with respect to any Proposal, such Proposal cannot be validly adopted at the AGM. References to shares being "outstanding" are to shares that form part of the Company's issued share capital which are not held by the Company itself or by a subsidiary of the Company.

Dutch law and the Company's Articles of Association provide that voting abstentions or blank votes will count for the purpose of determining whether a quorum is present at the AGM but will not count for the purpose of determining the number of votes cast. "Broker non-votes" (as described below) will not count as shares present at the AGM or for the purpose of determining the number of votes cast.

HOW DOES THE BOARD RECOMMEND THAT I VOTE?

The Board unanimously recommends that our shareholders vote "**FOR**" the appointment of each director; "**FOR**" adoption of the Annual Accounts; "**FOR**" ratification of the selection of Deloitte & Touche LLP as the Company's independent registered accounting firm for the fiscal year ending December 31, 2020; "**FOR**" instruction to Deloitte Accountants B.V. for the audit of the Company's Dutch Statutory Annual Accounts for the fiscal year ending December 31, 2020; "**FOR**" the discharge of our directors from liability with respect to the performance of their duties during fiscal year ended December 31, 2019; "**FOR**" authorization of the Board to acquire shares (and depository receipts for shares) in the capital of the Company; and "**FOR**" the amendment of the Company's Articles of Association to remove the ability to issue bearer shares, including the granting of the authorization to execute the notarial deed of amendment implementing such amendment.

WHO IS ENTITLED TO VOTE AND HOW MANY VOTES DO THEY HAVE?

Dutch law provides that the record date for the AGM must be 28 days prior to the date of the AGM; thus, the record date is May 28, 2020 (the "*Record Date*"). The Board has determined that the Company's shareholders' register and the register maintained for shares in the Company's capital by the Company's U.S. transfer agent are the relevant registers for determining who is entitled to attend and, if relevant, vote at the AGM. Those who are shareholders of the Company on the Record Date, or who otherwise have meeting rights under Dutch law with respect to shares in the Company's capital on the Record Date, provided in each case that they are registered as such in either of the above-mentioned registers, may attend the AGM and, if relevant, vote

at the AGM in person or by proxy. Unless the context requires otherwise, references in this proxy statement to “shareholders” refer to the shareholders and others with meeting rights under Dutch law on the Record Date as referred to in the immediately preceding sentence.

As of the close of business on May 25, 2020 (the last practicable date prior to the Record Date and the mailing of the proxy statement), there were 133,131,075 ordinary shares, €0.10 par value of the Company (“Ordinary Shares” or “Playa shares”) outstanding and entitled to vote. Each Playa share carries the right to cast one vote on each Proposal. Shareholders do not have cumulative voting rights.

HOW DO I VOTE BEFORE THE AGM?

If you are a registered shareholder, meaning that you hold your shares through an account with our transfer agent, Computershare, you can vote by mail, by completing, signing and returning the accompanying proxy card or you may vote online at www.proxyvote.com or by telephone by following the “Vote by Phone” instructions on the proxy card.

If you are a beneficial owner of Playa shares and hold your shares through a bank, broker, trust company or other nominee (“street name”), the relevant institution will send you instructions describing the procedure for instructing the relevant institution as to how to vote the Playa shares you beneficially own. If you wish to vote the Playa shares you beneficially own directly either in person at the AGM or by proxy, you must first obtain a signed “legal proxy” from the bank, broker, trust company or other nominee through which you beneficially own your Playa shares.

Given the time of the meeting in the Netherlands, in order for your mailed, telephonic or online vote to be counted, it must be received on or before 5:59 a.m. CEST on June 24, 2020 (the “*Cut-Off Time*”). The official electronic voting results will be those reported by our vote tabulator, Broadridge, in its final report to be provided promptly following the Cut-Off Time. Proxies delivered or votes received online or by telephone after the Cut-Off Time will be disregarded.

MAY I VOTE AT THE AGM?

You may vote your shares at the AGM if you attend in person. Even if you plan to attend the AGM, we encourage you to vote your shares by proxy by telephone or online.

Please note that, due to the global outbreak of COVID-19 and the related health and safety guidelines imposed by the Dutch government, we urge shareholders to vote by proxy, as described below. If you do decide to attend in person, we may be required to implement additional security measures in order to safeguard the orderly proceedings at the meeting.

IF YOU PLAN TO ATTEND IN PERSON:

Attendance at the AGM is limited to shareholders, Company management and Company advisors. Registration will begin at 10:00 a.m. CEST and the AGM will begin at 11:00 a.m. CEST on June 25, 2020. Each shareholder desiring to attend the AGM in person MUST bring proof of share ownership as of the Record Date along with a valid form of identification. Examples of proof of share ownership include voting instruction statements from a broker or bank. In addition, you should register with the Company by the Cut-Off Time to indicate your identity and your plan to attend. Such registration must be made to the Company in writing (such notice to be sent to the Company’s office at 1560 Sawgrass Corporate Parkway, Suite 310, Fort Lauderdale, Florida 33323 to the attention of the Company’s Secretary) prior to the Cut-Off Time. Failure to comply with these requirements may preclude you from being admitted to the AGM.

CAN I CHANGE MY MIND AFTER I VOTE?

You may change your vote at any time before the Cut-Off Time. You may revoke your proxy prior to the Cut-Off Time (1) by submitting a properly signed proxy card with a later date, or (2) by voting in person at the AGM.

WHAT IF I RETURN MY PROXY CARD BUT DO NOT PROVIDE VOTING INSTRUCTIONS?

Proxies that are signed and returned prior to the Cut-Off Time but do not contain instructions will be voted **“FOR”** each Proposal.

WHAT HAPPENS IF I FAIL TO VOTE OR ABSTAIN FROM VOTING?

If you do not exercise your vote because you do not submit a properly executed proxy card to the Company, and do not vote online or by telephone, in accordance with the instructions contained in this proxy statement in a timely fashion or by failing to attend the AGM to vote in person or fail to instruct your broker, bank, trust company or other nominee how to vote on a non-routine matter (a “failure to vote”), it will have no effect on a Proposal. If you mark your proxy or voting instructions expressly to abstain or to cast a “blank vote” for any Proposal, it will also have no effect on such Proposal. If you do not give instructions to your broker, bank, trust company or other nominee, such broker, bank, trust company or other nominee will nevertheless be entitled to vote your shares in its discretion on routine matters and may give or authorize the giving of a proxy to vote the Playa shares in its discretion on such matters. For the avoidance of doubt, if a shareholder returns a properly executed proxy card in a timely fashion without indicating how to vote on one or more of the Proposals (and without indicating expressly to abstain or to cast a “blank vote”), the Playa shares represented by such proxy will count for the purposes of determining the presence of a quorum with respect to such Proposal(s), will be voted in favor of each such Proposal in accordance with the recommendation of the Board, and it will not be considered a failure to vote.

IF MY SHARES ARE HELD IN STREET NAME BY MY BROKER, WILL MY BROKER AUTOMATICALLY VOTE MY SHARES FOR ME?

If you hold your shares in street name, your broker, bank, trust company or other nominee cannot vote your shares on non-routine matters without instructions from you. Each of the Proposals is considered a non-routine matter. You should therefore instruct your broker, bank, trust company or other nominee as to how to vote your Playa shares, following the directions from your broker, bank, trust company or other nominee provided to you. Please check the voting form used by your broker, bank, trust company or other nominee.

If you do not provide your broker, bank, trust company or other nominee with instructions and your broker, bank, trust company or other nominee submits an unvoted proxy with respect to a Proposal (because it is non-routine), this will be considered to be a “broker non-vote” and your shares will not be counted for purposes of determining the presence of a quorum with respect to that Proposal.

Beneficial owners of Playa shares held through a broker, bank, trust company or other nominee may not vote the underlying shares at the AGM, unless they first obtain (where appropriate, through the relevant broker, bank, trust company or other nominee) a signed “legal proxy” from the bank, broker, trust company or other nominee through which you beneficially own your Playa shares.

WHAT HAPPENS IF I TRANSFER MY PLAYA SHARES BEFORE THE AGM?

The Record Date for the AGM is earlier than the date of the AGM. If you transfer your Playa shares after the Record Date, you will retain your right to attend and vote at the AGM.

WHO WILL BEAR THE EXPENSE OF SOLICITING PROXIES?

We will bear the cost of preparing and mailing proxy materials as well as the cost of soliciting proxies and we may, upon request, reimburse banks, brokerage firms, custodians, nominees and fiduciaries for their expenses in sending proxy materials to the beneficial owners of our shares. The solicitation of proxies by the Board will be conducted by mail and also through the Internet. In addition, certain members of the Board, as well as our officers and regular employees may solicit proxies in person, by facsimile, by telephone or by other means of electronic communication.

In Mexico, we own and manage the Hyatt Zilara Cancún, Hyatt Ziva Cancún, Panama Jack Resorts Cancún, Panama Jack Resorts Playa del Carmen, Hilton Playa del Carmen All-Inclusive Resort, Hyatt Ziva Puerto Vallarta and Hyatt Ziva Los Cabos. In Jamaica, we own and manage the Hyatt Zilara Rose Hall, the Hyatt Ziva Rose Hall, Hilton Rose Hall Resort & Spa, Jewel Dunn's River Beach Resort & Spa, Jewel Grande Montego Bay Resort & Spa, Jewel Runaway Bay Beach Resort & Waterpark and Jewel Paradise Cove Beach Resort & Spa. In the Dominican Republic, we own and manage the Hilton La Romana All-Inclusive Family Resort, the Hilton La Romana All-Inclusive Adult Resort, the Hyatt Ziva Cap Cana, and the Hyatt Zilara Cap Cana. We also own four resorts in Mexico and the Dominican Republic that are managed by a third party and we manage the Sanctuary Cap Cana in the Dominican Republic. As of December 31, 2019, we directly and indirectly employed approximately 12,000 employees worldwide at our corporate offices and on-site at our resorts.

At 12:00 a.m. Central European Time on March 12, 2017 (the "*Closing Time*"), we consummated a business combination (the "*Pace Business Combination*") pursuant to a transaction agreement by and among us, Playa Hotels & Resorts B.V. (our "*Predecessor*") and Pace Holdings Corp. ("*Pace*"), an entity that was formed as a special purpose acquisition company, for the purpose of effecting a merger or other similar business combination with one or more target businesses, and New Pace Holdings Corp. In connection with the Pace Business Combination, which is described in detail in our Current Report on Form 8-K filed with the Securities and Exchange Commission ("*SEC*") on March 14, 2017, we changed our name from Porto Holdco N.V. to Playa Hotels & Resorts N.V. In addition, in connection with the Pace Business Combination, (i) prior to the consummation of the Pace Business Combination, all of our Predecessor's cumulative redeemable preferred shares were purchased and were subsequently extinguished upon the reverse merger of our Predecessor with and into us, and (ii) Pace's former shareholders and our Predecessor's former shareholders received a combination of our Ordinary Shares and warrants as consideration in the Pace Business Combination. Our Predecessor was the accounting acquirer in the Pace Business Combination, and the business, properties, and management team of our Predecessor prior to the Pace Business Combination are the business, properties, and management team of the Company following the Pace Business Combination.

On June 1, 2018, we completed a business combination with certain companies affiliated with Sagicor Group Jamaica Limited (collectively "*Sagicor*") whereby Sagicor contributed to us a portfolio of five all-inclusive resorts, two adjacent oceanfront developable land sites with a potential density of up to 700 rooms and all of Sagicor's rights to "The Jewel" hotel brand (collectively the "*Sagicor Assets*"). The resorts included in the portfolio consist of the 495-room Hilton Rose Hall Resort & Spa, the 268-room Jewel Runaway Bay Beach Resort & Waterpark, the 250-room Jewel Dunn's River Beach Resort & Spa, the 225-room Jewel Paradise Cove Beach Resort & Spa and the 217-room Jewel Grande Montego Bay Resort & Spa (where we own 88 rooms and manage 129 rooms). Previously, the resorts we acquired from Sagicor were managed by an external third-party but we assumed management of these resorts upon the closing of the transaction. Consideration for the Sagicor Assets consisted of 20,000,000 of our ordinary shares and \$93.1 million in cash. In addition, two individuals nominated by Sagicor joined Playa's Board of Directors upon the consummation of the transaction.

OUR STATUS AS AN EMERGING GROWTH COMPANY

We are an “emerging growth company,” as defined in the Jumpstart Our Business Startups Act (the “*JOBS Act*”). Therefore, we are eligible for certain exemptions from various reporting requirements that are applicable to other public companies that are not “emerging growth companies.” These exemptions include reduced disclosure obligations regarding executive compensation in proxy statements and no requirement to conduct “say-on-pay” votes.

We will remain an “emerging growth company” until the earliest to occur of (i) the last day of the fiscal year (a) following September 16, 2020, (b) in which we have total annual gross revenue of at least \$1.0 billion or (c) in which we are deemed to be a large accelerated filer, which means the market value of our Ordinary Shares that is held by non-affiliates exceeds \$700 million as of the last business day of our prior second fiscal quarter, and (ii) the date on which we have issued more than \$1.0 billion in non-convertible debt during the prior three-year period.

MATTERS TO BE VOTED UPON

Item 1. Appointment of Directors

Our Board currently consists of eight directors, each of whom is either an executive director or a non-executive director pursuant to applicable Dutch law. Four of our directors were designated to the Board pursuant to the Shareholder Agreement, dated as of March 10, 2017 (the “2017 Shareholder Agreement”), by and among Porto Holdco B.V., TPG Pace Sponsor, LLC (“Pace Sponsor”), HI Holdings Playa B.V. (“HI Holdings”), Cabana Investors B.V. and Playa Four Pack, L.L.C. (together, with Cabana Investors B.V., “Cabana”). Pursuant to the 2017 Shareholder Agreement, two of our directors were designated by Pace Sponsor, an affiliate of TPG Global, LLC (“TPG”), one of our directors was designated by Cabana, an affiliate of Farallon Capital Management, L.L.C. (“Farallon”), and one of our directors was designated by HI Holdings, an affiliate of Hyatt Hotels Corporation (“Hyatt”). In addition, one of our directors was designated to the Board, pursuant to the Shareholder Agreement dated as of May 31, 2018, among the Company, JSCD Trustees Services Limited (“JSCD”) and X Fund Properties Limited (“XFUND”), which is an affiliate of Jamziv Mobay Jamaica Portfolio Limited (“Jamziv”), the record holder of 20,000,000 of our Ordinary Shares (the “2018 Shareholder Agreement”).

Consistent with Dutch law and the Company’s Articles of Association, executive directors and non-executive directors are appointed at the AGM from a binding nomination proposed by the Board. The proposed candidate specified in a binding nomination shall be appointed provided that the requisite quorum is represented in person or by proxy at the AGM, unless the nomination is overruled at the AGM by a resolution against the appointment of the candidate adopted by a simple majority of the votes cast, provided such majority represents more than half of the issued share capital. In such event, a new nomination will be made by the Board.

If appointed, each director will serve until his or her successor is appointed or, if earlier, upon such director’s resignation, removal or death or the expiration of his or her term of office as described below. In accordance with the recommendation of the Company’s Nominating and Governance Committee, the Board has unanimously adopted resolutions to make the following binding nominations:

1. The Board has nominated Bruce D. Wardinski to serve as an executive director for a term ending immediately after the annual general meeting of shareholders of the Company to be held in 2021; and
2. The Board has nominated Charles Floyd, Richard B. Fried, Gloria Guevara, Hal Stanley Jones, Elizabeth Lieberman, Karl Peterson, and Christopher W. Zacca to serve as non-executive directors for a term ending immediately after the annual general meeting of shareholders of the Company to be held in 2021.

The Board recommends a vote “**FOR**” the appointment of each director.

Each of the proposed appointments is considered a separate voting item under Dutch law. Set forth below is information regarding each director nominee’s age, principal occupation, tenure with the Company, business experience, other director positions currently held or held at any time during the past five years, and the specific experience, qualifications, attributes or skills that led to the conclusion by the Board that such person should serve as one of our directors. Ages are given as of the date of the AGM. Each nominee is currently on the Board and each has consented to act as a director of Playa if appointed at the AGM.

Bruce D. Wardinski, 60, has served as our Chairman and Chief Executive Officer since March 12, 2017. Mr. Wardinski previously served as our Predecessor’s Chief Executive Officer and a director of our Predecessor since August 2013 and previously served on the board of directors of our Predecessor’s prior parent. In 2006, Mr. Wardinski founded our Predecessor’s prior parent and served as its Chief Executive Officer and Chairman of its board of directors from May 2006 to August 2013. From June 2002 to December 2010, Mr. Wardinski served as Chief Executive Officer of Barcel6 Crestline and served as founding chairman of our Predecessor’s board of directors. From 1998 to 2002, Mr. Wardinski was Chairman, President and Chief Executive Officer of Crestline

Director Qualifications

The Nominating and Governance Committee of our Board has prepared policies regarding director qualification requirements and the process for identifying and evaluating director candidates for adoption by the Board; such policies are posted on our website, www.investors.playaresorts.com. Generally, the Nominating and Governance Committee considers the entirety of each candidate's qualifications and credentials. At a minimum, all candidates for director must possess: high personal and professional ethics and integrity; ability to exercise sound judgment; ability to make independent analytical inquiries; an ability and willingness to devote sufficient time and resources to diligently perform Board duties; appropriate and relevant business experience and acumen; and a reputation consistent with the image and reputation of the Company. The Nominating and Governance Committee considers candidates submitted by shareholders using substantially the same criteria it applies to recommendations from the Nominating and Governance Committee. In addition, pursuant to our Board rules a majority of the members of the Board must meet the criteria for independence under (i) the NASDAQ listing rules, as in effect from time to time and as interpreted by our Board in its business judgment, and (ii) the DCGC, to the extent reasonably practicable.

The above-mentioned attributes, along with the leadership skills and other experiences of our officers and our Board members described above, are expected to provide us with a diverse range of perspectives and

judgment necessary to facilitate our goals of shareholder value appreciation through organic and acquisition growth and to promote the interests of our other stakeholders.

The Board recommends that shareholders vote “FOR” the appointment of Bruce D. Wardinski as executive director and each of the other nominees discussed above as non-executive directors, and proxies executed and returned will be so voted unless contrary instructions are indicated thereon.

Item 7. Amendment to our Articles of Association to remove the ability to issue bearer shares

At the AGM, our shareholders will be asked to resolve upon an amendment to our Articles of Association. This amendment (the “**Amendment**”) will eliminate the possibility to issue shares in bearer form in order to comply with legislation that recently came into effect in the Netherlands. This technical change will only affect the contents of Article 5 of the current Articles of Association. Following the Amendment, we will only be able to issue shares in registered form (and all of our shares currently outstanding are registered shares). A copy of the deed of amendment reflecting the Amendment is attached to this proxy statement as Annex A and is also available on our website at www.playaresorts.com.

CORPORATE GOVERNANCE AND BOARD MATTERS

Corporate Governance Profile

Our corporate governance has been structured in a manner intended to closely align our interests with those of our stakeholders. Notable features of our corporate governance structure include the following:

- our Board is not staggered and each of our directors is elected for a term of one year following a binding nomination of our Board;
- our Board determined that of the eight persons nominated to serve on our Board, seven, or 88%, are independent for purposes of the NASDAQ's corporate governance listing standards, and five of the seven, or 71%, of our non-executive directors also qualify as independent under the DCGC;
- the chairman of our Audit Committee qualifies as an "audit committee financial expert" as defined by the SEC;
- we do not have a poison pill;
- directors are elected by the general meeting upon a binding nomination of our Board, following the recommendation of our Board's Nominating and Governance Committee and subject to the rights to designate directors for appointment granted to Pace Sponsor, HI Holdings and Cabana pursuant to the 2017 Shareholder Agreement and Sagicor pursuant to the 2018 Shareholder Agreement; our general meeting may overrule such binding nomination by a resolution adopted by at least a majority of the votes cast, if such votes represent more than 50% of our issued share capital, following which, our Board will offer a new binding nomination of a director to be elected to our Board;
- our Articles of Association and Dutch law provide that resolutions of our Board concerning a material change in our identity, character or business are subject to the approval of the general meeting; and
- certain actions can only be taken by our general meeting, with at least two-thirds of the votes cast, unless such resolution is passed at the proposal of our Board, including an amendment of our Articles of Association, the issuance of shares or the granting of rights to subscribe for shares, the limitation or exclusion of preemptive rights, the reduction of our issued share capital, payments of dividends on our shares, the application for bankruptcy and a merger or demerger of us.

Our Board

We have a single-tier board that currently consists of eight directors: one executive director and seven non-executive directors. Each member of our Board was elected to serve for a term of one year following his or her appointment. Our Board may perform all acts necessary or useful for achieving our corporate purposes, other than those acts that are prohibited by law or by our Articles of Association, as more fully discussed below, or which would violate general principles of reasonableness and fairness. The Board as a whole, the Chief Executive Officer and, if more than one executive director has been appointed, each executive director individually, is authorized to represent us in dealings with third parties.

In March 2020, the Board was restructured to reduce the size of the Board from twelve directors to eight, in an effort to realign the size of the Board to an appropriate level given the Company's size and needs and to improve efficiencies in the Board's operations. In connection with the restructuring, our former directors Daniel J. Hirsch, Peter Melhado, Thomas Klein and Arturo Sarukhan resigned from the Board effective March 31, 2020. Mr. Melhado had succeeded former director Richard Byles, who resigned from the Board on June 30, 2019.

Director Independence

NASDAQ listing standards require that a majority of the Board be independent. An "independent director" is defined generally as a person other than an officer or employee of a company or its subsidiaries or any other individual having a relationship which in the opinion of the board of directors of such company, would interfere with the director's exercise of independent judgment in carrying out the responsibilities of a director.

All of our directors who served during 2019 and all of our director nominees are independent pursuant to the rules of the NASDAQ except Mr. Wardinski, our Chairman and Chief Executive Officer. In order to make these determinations, the following relationships have been disclosed to our Board:

- With respect to Ms. Lieberman and Mr. Sarukhan, the consulting services provided by each of them to our Predecessor, including attending our Predecessor's board meetings and providing board-level advice to our Predecessor as if they were already appointed to our Predecessor's board of directors, from 2015 through the date of the Pace Business Combination, for which they each received a \$60,000 annual cash retainer and reimbursement of other expenses. Following their appointment to the Board, Ms. Lieberman and Mr. Sarukhan only receive compensation from us for serving as directors.
- With respect to Mr. Hirsch and Mr. Fried, that (i) Mr. Hirsch and Mr. Fried were appointed to our Board by the general meeting in accordance with the designation rights of Cabana pursuant to the 2017 Shareholder Agreement, and (ii) each is required to resign from our Board upon request by Cabana.
- With respect to Mr. Hirsch, that he may be entitled to receive from Cabana payments or profit allocations in respect of certain investments made by Cabana, including Cabana's investment in our Ordinary Shares.
- With respect to Mr. Fried, that he may be entitled to receive a portion of (i) any profit allocation earned by an affiliate of Cabana based on an increase in the value of Cabana's investment portfolio (which portfolio includes, among other assets, Cabana's investment in our Ordinary Shares) and (ii) any management fee earned by an affiliate of Cabana for managing Cabana's investment portfolio.
- With respect to Mr. Floyd, that (i) he was designated for appointment to our Board by the general meeting in accordance with the designation rights of HI Holdings pursuant to the 2017 Shareholder Agreement, and (ii) is required to resign from the Board upon request by HI Holdings.
- With respect to Ms. Guevara, Mr. Klein and Mr. Peterson, that (i) Mr. Klein, Mr. Peterson and Ms. Guevara were appointed to our Board by the general meeting in accordance with the designation rights of Pace Sponsor pursuant to the 2017 Shareholder Agreement, and (ii) each is required to resign from our Board upon request by Pace Sponsor.
- With respect to Mr. Zacca, Mr. Byles and Mr. Melhado, that (i) Mr. Zacca and Mr. Byles were appointed to our Board by the general meeting in accordance with the designation rights of Sagicor pursuant to the 2018 Shareholder Agreement, (ii) that Mr. Melhado was appointed to our Board to serve as an interim non-executive director in accordance with the designation rights of Sagicor pursuant to the 2018 Shareholder Agreement (succeeding Mr. Byles), and (iii) each would be required to resign from our Board upon request by Sagicor.

There are no family relationships among our executive officers and directors.

Mr. Floyd, Ms. Guevara, Mr. Hirsch, Mr. Jones, Mr. Klein, Ms. Lieberman, Mr. Peterson and Mr. Sarukhan also each qualify (or qualified, as applicable) as "independent" under the DCGC. Only two of our seven non-executive directors do not qualify as "independent" under the DCGC.

Our directors will stay informed about our business by attending meetings of our Board and their respective committees and through supplemental reports and communications. Our non-executive directors, to the extent independent under NASDAQ rules, will meet regularly in executive sessions without the presence of our executive officers or directors that are not independent under NASDAQ rules.

Our Board Designations

The general meeting of shareholders appoints the directors of our Board. The general meeting can only appoint a director upon a binding nomination by our Board. The general meeting may at any time resolve to

render such nomination to be non-binding by a majority of votes cast representing more than half of the issued share capital. If a nomination is rendered non-binding, a new nomination shall be made by our Board. If the nomination comprises one candidate for a vacancy, a resolution concerning the nomination shall result in the appointment of the candidate, unless the nomination is rendered non-binding. A second meeting pursuant to section 2:120 (3) of the Dutch Civil Code cannot be convened. A resolution to appoint a director can only be approved in respect of candidates whose names are stated for that purpose in the agenda of that general meeting or the explanatory notes thereto. Upon the appointment of a person as a director, the general meeting shall determine whether that person is appointed as executive director or as non-executive director.

Each of our directors was appointed by the general meeting for a term that will expire at the end of the AGM and each director will serve until his or her successor is appointed or, if earlier, upon such director's resignation, removal or death or the expiration of his or her term of office.

Under Dutch law, the person chairing the meetings of our Board (the chairman by law) is required to be a non-executive director. This person is currently Ms. Lieberman, who is also our Lead Independent Director. The non-executive directors supervise the executive directors and our Board as a whole, and provide guidance to individual directors and to our Board as a whole. Each director owes a duty to us to properly perform the duties of our Board as a whole and the duties assigned to such director, and to act in our corporate interest. Under Dutch law, the corporate interest extends to the interests of all stakeholders, such as shareholders, creditors, employees, guests and suppliers.

Our Board Powers and Function

Our Board is charged with the management of the Company, subject to the restrictions contained in our Articles of Association and our Board Rules. The executive directors are responsible for operational management of the Company and the business enterprise connected therewith, as well as with the implementation of the decisions taken by our Board. The non-executive directors have no day-to-day management responsibility but supervise the policy and the fulfillment of duties of the executive directors and the general affairs of the Company. Additionally, the directors have a collective responsibility towards the Company for the duties of our Board as a whole. In performing their duties, the directors shall be guided by the interests of the Company and our business and, in this respect, the directors shall take the interests of all of our stakeholders into proper consideration. Directors shall have access to management and, as necessary and appropriate, our independent advisors. The executive directors will timely provide the non-executive directors with any such information as may be necessary for the non-executive directors to perform their duties.

Our Board will represent the Company. We may also be represented by the Chief Executive Officer, in his capacity as executive director, and, where more than one executive director has been appointed, by each executive director individually.

Our Board Meetings and Decision Making

Each director may cast one vote on all matters presented to our Board and those committees on which he or she serves for approval. Resolutions of our Board and resolutions of the group of non-executive directors shall be passed, irrespective of whether this occurs at a meeting or otherwise, by majority unless our Board Rules provide differently. Where there is a tie in any vote of our Board, no resolution shall have been passed. Meetings of our Board can be held through audio-communication facilities, unless a director objects thereto. Resolutions of our Board may, instead of at a meeting, be passed in writing, provided that all directors are familiar with the resolution to be passed and none of them objects to this decision-making process.

During 2019, our Board held five meetings. Each director attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all committees on which such director served, during 2019. Our Board Rules provide that all directors are expected to attend all Board meetings. We do not have a formal policy regarding director attendance at the AGM.

2017 Shareholder Agreement

On March 10, 2017 and effective upon the closing of our formation transactions, the Company, Pace Sponsor, HI Holdings, Playa Four Pack, LLC and Cabana, entered into the 2017 Shareholder Agreement.

Under the 2017 Shareholder Agreement, Pace Sponsor, HI Holdings and Cabana have certain rights to designate directors to the Company's Board as follows:

- Pace Directors: Pace Sponsor will have the right to designate (i) three directors to the Board for as long as Pace Sponsor holds more than 7,500,000 of our shares, (ii) two directors to the Board for as long as Pace Sponsor holds 7,500,000 or fewer but more than 5,625,000 of our shares, and (iii) one director to the Board for as long as Pace Sponsor holds 5,625,000 or fewer but more than 3,750,000 of our shares.
- Hyatt Director: HI Holdings will have the right to designate one director to the Board for as long as HI Holdings holds more than 7,500,000 of our shares.
- Cabana Directors: Cabana will have the right to designate (i) two directors to the Board for so long as Cabana holds more than 15,000,000 of our shares and (ii) one director to the Board for so long as Cabana holds 15,000,000 or fewer but more than 7,500,000 of our shares.

In connection with the restructuring of the Board in March 2020 to reduce the size of the Board from twelve directors to eight, Pace Sponsor and Cabana each provided written notice to the Company that they waived their right to designate one of their allotted directors under the 2017 Shareholder Agreement for appointment to the Board at the AGM.

2018 Shareholder Agreement

In connection with our acquisition of the Sagicor Assets, we entered into the 2018 Shareholder Agreement with JSCD and XFUND, which is an affiliate of Jamziv, the record holder of 20,000,000 of our Ordinary Shares. Pursuant to the 2018 Shareholder Agreement, JSCD and XFUND have the collective right to designate (i) two directors to the Board for as long as Jamziv and its permitted holders hold more than 18,000,000 of our shares and (ii) one director to the Board for as long as Jamziv and its permitted holders hold 18,000,000 or fewer but more than 10,000,000 of our shares.

In connection with the restructuring of the Board in March 2020 to reduce the size of the Board from twelve directors to eight, JSCD and XFUND provided notice to the Company that they waived their right to designate one of their allotted directors under the 2018 Shareholder Agreement for appointment to the Board at the AGM.

Our Board Conflicts of Interest

A director will not be permitted to participate in the discussions and the decision-making process on a subject or transaction in relation to which he or she has a direct or indirect personal interest which conflicts with the interest of us and of the business connected with it. If all directors have a conflict of interest as described in the previous sentence and as a result thereof, no resolution can be passed by our Board, the resolution may nevertheless be passed by our Board as if none of the directors has a conflict of interests as described in the previous sentence.

Executive directors will be prohibited from participating in the decision-making process with respect to the determination of their remuneration and the remuneration of other executive directors.

Under the DCGC, each director is required to immediately report any actual or potential conflict of interest which is of material significance to us and/or to such director to the Lead Independent Director and the Audit Committee and shall provide all information relevant to such potential conflict of interest. If the Lead Independent Director has an actual or potential conflict of interest, the director shall immediately report this to

the vice chairman of our Board and the Audit Committee. Our Board shall decide, without the director concerned being present, whether there is a conflict of interest. Transactions in which there is a conflict of interest shall be performed and disclosed in accordance with applicable law, the NASDAQ listing rules and the DCGC.

Except as otherwise agreed in writing by us and Hyatt, neither Playa nor Hyatt shall have any duty to refrain from engaging, directly or indirectly, in the same or similar activities or lines of business as the other; provided that Hyatt may not pursue a corporate opportunity if the opportunity was discovered, directly or indirectly, through the use of Playa's property or information, or was offered to a Hyatt-affiliated director expressly in his or her capacity as a director of Playa (although Hyatt may pursue such opportunity if it is discovered through other means, whether before or after its discovery through the use of Playa's property or information or offered to a Hyatt-affiliated director, provided that in pursuing such opportunity no confidential Playa information is used and there is no breach of the confidentiality provisions of the Board Rules). If a director affiliated with Hyatt has an actual or potential conflict of interest due to his or her position as a director and his or her relationship with Hyatt, such director is required to immediately report such conflict of interest as described above.

Director Liability

Pursuant to Dutch law, members of our Board may be liable to us for damages in the event of improper or negligent performance of their duties. They may also be liable for damages to third parties on the basis of tort, to the tax authorities in case of default on tax and social security payments, and in the event of bankruptcy as a consequence of improper performance of their duties. In certain circumstances, members of our Board may also incur criminal liabilities. The members of our Board and certain executive officers are insured at our expense against damages resulting from their conduct when acting in the capacities as such directors, members or officers, which insurance may also provide any such person with funds to meet expenditures incurred or to be incurred in defending any proceedings against him or her and to take any action to enable such expenses not to be incurred. Also, we provide the current and former members of our Board with protection through indemnification under our Articles of Association, to the extent permitted by law, against risks of claims and actions against them arising out of their exercise of their duties, or any other duties performed at our request. In addition, we entered into indemnification agreements with its directors and executive officers.

Director Suspension and Removal

The general meeting of our shareholders will at all times have the power to suspend or remove a director by a resolution adopted by at least a majority of the votes cast at a general meeting of our shareholders, representing at least a majority of issued share capital, unless the proposal is at the proposal of our Board, in which case a majority of the votes cast is required. An executive director may also be suspended by our Board. A suspension will expire at the end of a three-month period if no resolution has been adopted either to lift the suspension or to remove the relevant director.

Board Committees

Our Board has established three standing committees: (i) the Audit Committee, (ii) the Compensation Committee and (iii) the Nominating & Governance Committee, all of which are comprised solely of independent directors under the NASDAQ rules as well as a majority of independent directors under the DCGC. In addition, pursuant to the terms of our 2017 Shareholder Agreement, our Board established the Capital Allocation Committee, consisting of a majority of independent directors under the NASDAQ rules. The principal functions of each standing committee are briefly described below. Our Board may from time to time establish other committees to facilitate our governance.

Audit Committee

Our Audit Committee consists of Mr. Jones (chairperson), Ms. Lieberman, Ms. Guevara and Mr. Zacca. The chairperson of the Audit Committee qualifies as an "audit committee financial expert" as that term is defined by

the applicable SEC regulations, based on among other things, his employment experience in finance and accounting, including his years as chief financial officer of a public company and as an accountant at a major accounting firm, as well as a “financial expert” as set forth in the DCGC. Each of the Audit Committee members is “financially literate” as that term is defined by the NASDAQ corporate governance listing standards. Our Board adopted an Audit Committee charter, which details the principal functions of the Audit Committee, including overseeing:

- the review of all related party transactions in accordance with our related party transactions policy;
- our accounting and financial reporting processes and discussing these with management;
- the integrity and audits of our consolidated financial statements and financial reporting process;
- our systems of disclosure controls and procedures and internal control over financial reporting;
- our compliance with financial, legal and regulatory requirements related to our financial statements and other public disclosures, our compliance with its policies related thereto, and our policy in respect of tax planning;
- the engagement and retention of the registered independent public accounting firm and the recommendation to our general meeting of the appointment of an external auditor to audit the Dutch statutory board report, including our annual accounts, and the evaluation of the qualifications, independence and performance of the independent public accounting firm, including the provision of non-audit services;
- the application of information and communication technology;
- the role and performance of our internal audit function;
- our overall risk profile; and
- attending to such other matters as are specifically delegated to the Audit Committee by our Board from time to time.

The Audit Committee is also responsible for selecting an independent registered public accounting firm to be appointed by our general meeting (or, if not appointed by our general meeting, by our Board), reviewing with the independent registered public accounting firm the plans and results of the audit engagement, approving professional services provided by the independent registered public accounting firm, including all audit and non-audit services, reviewing the independence of the independent registered public accounting firm, considering the range of audit and non-audit fees and reviewing the adequacy of our internal accounting controls. The Audit Committee also approves the audit committee report required by SEC regulations to be included in our proxy statement. The Audit Committee held eight meetings during 2019.

Compensation Committee

Our Compensation Committee currently consists of Mr. Floyd (chairperson), Mr. Jones and Mr. Peterson. The Compensation Committee assists our Board in reviewing and approving or recommending our compensation structure, including all forms of compensation relating to our directors and executive officers. An executive director will not be present at any Compensation Committee meeting while his or her compensation is deliberated. Subject to and in accordance with the terms of the compensation policy to be adopted by our General Meeting from time to time and in accordance with Dutch law, the Compensation Committee is responsible for, among other things:

- reviewing and approving on an annual basis the corporate goals and objectives relevant to our Chairman and Chief Executive Officer’s compensation, evaluating our Chairman and Chief Executive Officer’s performance in light of such goals and objectives and recommending the compensation, including equity compensation, change in control benefits and severance arrangements, of our Chairman and Chief Executive Officer based on such evaluation;

- reviewing and approving the compensation, including equity compensation, change in control benefits and severance arrangements, of our other executive officers and overseeing their performance;
- reviewing and making recommendations to our Board with respect to the compensation of our directors;
- reviewing and making recommendations to our Board with respect to its executive compensation policies and plans;
- implementing and administering our incentive and equity-based compensation plans;
- determining the number of shares underlying, and the terms of, restricted share awards and options to be granted to our directors, executive officers and other employees pursuant to these plans;
- assisting management in complying with our proxy statement and management report disclosure requirements;
- producing a Compensation Committee report to be included in our annual proxy statement;
- assisting our Board in producing the compensation report to be included in our management report publicly filed in the Netherlands and to be posted on our website; and
- attending to such other matters as are specifically delegated to our Compensation Committee by our Board from time to time.

Our Board adopted a Compensation Committee charter, which details these principal functions of the Compensation Committee. The Compensation Committee held three meetings during 2019.

Compensation Consultant

For 2019, the Company's management engaged AETHOS Consulting Group, a nationally recognized consulting firm, to provide independent research, evaluation and advice related to our compensation policies for our directors and executive officers and provide recommendations regarding various compensation decisions to be made by the Compensation Committee. The Compensation Committee takes these recommendations into account in making determinations regarding the compensation of our directors and executive officers.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee is comprised of Mr. Floyd (chairperson), Mr. Jones and Mr. Peterson. No member of the Compensation Committee is a current, or during 2019 was, a former, officer or employee of ours, our Predecessor or any of its subsidiaries. In 2019, none of our or our Predecessor's executive officers served on the board of directors or compensation committee of any entity that had one or more of its executive officers serving on the Board or the Compensation Committee of us or our Predecessor.

Nominating and Governance Committee

Our Nominating and Governance Committee consists of Ms. Lieberman (chairperson), Mr. Fried and Mr. Zacca. The Nominating and Governance Committee assists our Board in selecting individuals qualified to become our directors and in determining the composition of our Board and its committees. Our Board adopted a Nominating and Governance Committee charter, which details the principal functions of the Nominating and Governance Committee, including:

- identifying, recruiting and recommending to the full Board qualified candidates for designation as directors or to fill our Board vacancies at our general meeting;
- developing and recommending to our Board corporate governance guidelines as set forth in the rules of our Board, including the Nominating and Governance Committee's selection criteria for director nominees, and implementing and monitoring such guidelines;

- overseeing our Board’s compliance with legal and regulatory requirements;
- reviewing and making recommendations on matters involving the general operation of our Board, including board size and composition, and committee composition and structure;
- recommending to our Board nominees for each committee of our Board;
- annually facilitating the assessment of our Board’s performance as a whole and of the individual directors, and the performance of our Board’s committees as required by applicable law, regulations and the NASDAQ corporate governance listing standards; and
- overseeing our Board’s evaluation of executive officers.

The Nominating and Governance Committee held three meetings during 2019.

Capital Allocation Committee

Our Capital Allocation Committee was created pursuant to the terms of the 2017 Shareholder Agreement, and currently consists of Mr. Peterson (chairperson), Mr. Fried, Mr. Zacca and Mr. Wardinski. Pursuant to the 2017 Shareholder Agreement, as long as Pace Sponsor has the right to designate a director, upon the resignation, removal or death of a Pace Director from the Capital Allocation Committee, a Pace Director will fill the committee vacancy. Pursuant to the 2017 Shareholder Agreement, as long as Cabana has the right to designate a director, upon the resignation removal or death of a Cabana designated director from the Capital Allocation Committee, a Cabana designated director will fill the committee vacancy. Our Capital Allocation Committee assists our Board in fulfilling its oversight responsibilities of the financial management of us, as well as any other duties delegated by the Board. Our Board adopted a Capital Allocation Committee charter, which details the principal functions of the Capital Allocation Committee, including the following duties:

- review of capital expenditures, investments, business acquisitions or divestitures with a value, individually, in excess of 5% of the total assets of us and our subsidiaries on a consolidated basis;
- recommend to our Board, as appropriate, whether or not to approve any of the expenditures, investments, business acquisitions or divestitures it reviewed pursuant to the authority (provided, that the Board may not approve any such expenditure, investment, business acquisition or divestiture unless the Capital Allocation Committee has recommended such action); and
- recommend that our Board request management to perform post-audits of major capital expenditures and business acquisitions or divestitures, and review the results of such audits.

The Capital Allocation Committee did not meet during 2019.

Code of Business Conduct and Ethics

The Board has adopted codes of business conduct and ethics that apply to its executive officers, directors and employees and agents. Among other matters, the codes of business conduct and ethics are designed to deter wrongdoing and to promote:

- honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest between personal and professional relationships;
- full, fair, accurate, timely and understandable disclosure in our SEC reports and other public communications;
- compliance with applicable governmental laws, rules and regulations;
- prompt internal reporting of violations of the code to appropriate persons identified in the code; and
- accountability for adherence to the code.

Only our Nominating and Governance Committee will be able to grant (subject to applicable law) any waiver of our code of business conduct and ethics for our executive officers or directors, and any such waiver shall be promptly disclosed as required by law or NASDAQ regulations by posting such information on our website rather than by filing a Form 8-K. Our code of business conduct and ethics includes a whistleblower policy as contemplated by the DCGC and applicable SEC rules. Our code of business conduct and ethics is available on our website at www.investors.playaresorts.com.

Risk Oversight

The Board plays an important role in the risk oversight of the Company. The Board is involved in risk oversight through direct decision-making authority with respect to significant matters and the oversight of management by the Board and its committees. In particular, the Board of Directors administers its risk oversight function through:

- the review and discussion of regular periodic reports to the Board of Directors and its committees on topics relating to the risks that we face, including, among others, market and other economic conditions, resort operations, potential expansion and growth opportunities, compliance with debt covenants, management of debt maturities, access to debt and equity capital markets, existing and potential legal claims against us and various other matters relating to our business;
- the review and assessment of risk relative to insurance coverage for our operating activities and financial investments;
- required approval by the Capital Allocation Committee of certain capital expenditures, investments, business acquisitions or divestitures and other decisions;
- direct oversight of specific areas of our business by the Audit Committee, Compensation Committee and Nominating and Governance Committee; and
- periodic reports from our auditors and other outside consultants regarding various areas of potential risk, including, among others, our internal control over financial reporting.

The Board of Directors also relies on management to bring significant matters impacting the Company to its attention.

Social and Environmental Commitment

In the first quarter of 2020, we established a management committee tasked with overseeing our strategies regarding the Company's social impact and environmental sustainability. Our Environment, Social and Governance (ESG) Committee was established with the goal of increasing our accountability, sharpening our focus, and maximizing our efforts with respect to our impact on our communities and the lives of our stakeholders. Although Playa has long been a champion of social awareness and environmental sustainability, our previous efforts were largely regional in nature. The ESG Committee was established to help unify our efforts and have a greater impact as a result. In addition, the ESG Committee will help to measure our progress on Playa's ESG initiatives and priorities, adding an element of accountability, which should also increase our effectiveness. The ESG Committee is staffed by employees comprising various levels of management across our business lines.

DIRECTOR COMPENSATION

Each of our non-executive directors receive an annual grant of ordinary shares with a value of \$75,000, which vest immediately, and an annual cash retainer of \$60,000, payable quarterly, for services as a director. The Lead Independent Director receives an additional annual cash retainer of \$20,000, the chairs of the Audit Committee and Compensation Committee each receives an additional annual cash retainer of \$15,000 and the chair of the Nominating and Governance Committee receives an additional annual cash retainer of \$7,500, in each case, payable quarterly. Each non-executive director is entitled to elect to receive his or her annual cash retainer in the form of Ordinary Shares at their value on the grant date. Directors who are our employees or are employees of our subsidiaries will not receive compensation for their services as directors. All of our directors will be reimbursed for their out-of-pocket expenses incurred in connection with the performance of our Board duties. To encourage our directors to experience our properties as guests, they receive discounts for personal visits to our resorts.

As part of regular review of the annual non-executive director compensation program, the Board approved, with input from its independent outside compensation consultant, the following adjustments for 2020 in order to better align the non-executive directors' compensation with the Company's peers and the market: an increase in the non-executive directors' cash retainer amount from \$60,000 to \$70,000; an increase in the Lead Independent Director's additional cash retainer from \$20,000 to \$25,000; an increase in the amount of the Audit and Compensation Committee chair retainers from \$15,000 to \$20,000; and an increase in the Nominating and Governance Committee chair retainer from \$7,500 to \$10,000. The Board also approved a one-year vesting requirement for the annual equity award, subject to the non-executive director's continued service on the vesting date. Members of Board committees will continue to receive no additional retainer.

The following table sets forth the compensation paid in 2019 to our non-executive directors for their service to us as directors. Mr. Wardinski did not and does not receive any compensation for his service as a director.

EXECUTIVE COMPENSATION

Our Compensation Philosophy

Our executive compensation program is designed to attract and retain highly-qualified executive officers and compensate them for performance in alignment with shareholder interests. We review our compensation approach annually to ensure it continues to meet our goals of aligning pay with short-term financial and operational objectives and long-term shareholder value. The following key features of our compensation program reflect our philosophy:

What We Do	What We Do Not Do
<ul style="list-style-type: none"> ✓ Utilize a goal-setting process that aligns executive officer goals and objectives with our strategy. ✓ Empower the Compensation Committee to decrease incentive payments when results not driven by company or individual performance. ✓ Establish program design and goals prior to the performance period. Subject all equity awards to clawback and forfeiture provisions. ✓ Impose robust stock ownership requirements on our named executive officers. ✓ Incentivize long-term performance through equity awards with multi-year performance periods. ✓ Impose caps on annual incentive compensation payments and performance-based restricted stock awards. 	<ul style="list-style-type: none"> ✗ No undue risks from overemphasis on any one metric or short-term goal. ✗ No hedging or pledging company stock permitted by executive officers. ✗ No single-trigger change-in-control provisions. ✗ No excise tax gross-ups upon a change in control. ✗ No individual change-in-control arrangements. ✗ No guaranteed bonus arrangements with our named executive officers. ✗ No excessive perquisites.

In order to align the interests of our named executive officers with the interests of our shareholders, a significant percentage of target compensation each year is at risk depending on achievement of performance goals. The charts below break out the components of 2019 target total direct compensation to demonstrate alignment of pay and performance. Fifty-two percent (52%) of the CEO's compensation is performance-based and on average forty-seven percent (47%) of compensation for all other named executive officers is performance-based.

Executive Compensation Elements

We place an emphasis on at-risk compensation with a significant portion of the compensation offered to our named executive officers tied to performance. The main elements of our named executive officer compensation program are as follows:

- Base Salary
- Base salaries are the fixed component of our compensation program. The amount corresponds to the position’s scope, the individual’s experience, external competitiveness, and internal equity, in addition to any other factors the Compensation Committee considers to be relevant.
 - Base salary is designed to compensate our named executive officers at a competitive, fixed level to ensure they don’t risk short- or long-term results for greater variable pay, in addition to serving as a retention tool.
- Management Incentive Plan
- Named executive officers participate in our Management Incentive Plan (“MIP”) which pays out annually, typically in cash, based on achievement of one-year financial and/or other operating objectives the Compensation Committee believes support sustained long-term performance, and which are set by the Compensation Committee prior to the performance period.
 - Under the MIP, each named executive officer has a target incentive opportunity expressed as a percentage of his or her base salary, which is subject to increase or decrease according to the achievement of the applicable corporate and individual performance measures.
 - The Compensation Committee has the right to adjust any payment to our named executive officers to align pay with performance.
- Long-Term Equity Incentives
- We incentivize long-term performance through issuance of equity awards pursuant to our 2017 Omnibus Incentive Plan (the “2017 Plan”). We generally issue named executive officers a mix of performance-based awards, which generally have performance measurement periods of three years, and time-vested awards, which generally have a three-year vesting period. Performance goals are generally tied to multiple metrics (for 2020, total shareholder return and adjusted EBITDA CAGR/ share), and may be achieved at threshold, target and maximum levels. Equity awards help retain and motivate our named executive officers because these awards may be subject to forfeiture and more closely align with long-term shareholder interests than cash compensation.

Compensation Process

The Compensation Committee of our Board, which consists entirely of independent directors, is responsible for determining the compensation of our named executive officers. The factors considered by the Compensation Committee include:

- *View of Board and CEO:* The Compensation Committee solicits the views of the Board on compensation of all named executive officers, particularly for Mr. Wardinski. The Compensation Committee solicits the views and recommendations of Mr. Wardinski with respect to the compensation of all other named executive officers.
- *Input of the Independent Compensation Consultant:* The Compensation Committee approved the retention of AETHOS Consulting Group (AETHOS) as its independent compensation consultant. AETHOS has provided the Compensation Committee compensation advice independent of the Company’s management, including with respect to the composition of the peer group discussed below.
- *Peer Group Analyses:* To ensure we attract, retain and motivate our executive team in a competitive talent market, the Compensation Committee regularly examines pay practices from, and pay data for

executives within, a peer group of 23 hospitality companies. The Compensation Committee, in conjunction with the independent compensation consultant and Chairman and CEO selected the current peer group to include companies in comparable market segments, that compete for the same talent and are of a similar size and scope. Because Playa is smaller in market cap and annual revenues compared to the peer group, we target the 25th percentile of the market for target and actual compensation values. The table below shows the 23-company peer group and the compensation practices for each company considered by the Compensation Committee. This data is only one of a number of factors the Compensation Committee uses to make final pay decisions.

(1) Represents amounts earned pursuant to the Management Incentive Plan which are awarded by the Compensation Committee after the end of the noted fiscal year based on a combination of individual and corporate performance. In 2019, no amounts were paid out under the MIP due to below-threshold performance. The amount reflected for Mr. Wardinski in 2018 represents the amount that would have been payable in cash pursuant to the MIP. However, at Mr. Wardinski's request, in lieu of a cash payment, the Company issued Mr. Wardinski 100,732 restricted Ordinary Shares in February 2019 subject to one-year time vesting, which had a grant date fair value of \$767,578.

(2) Represents the aggregate grant date fair value of time-based restricted Ordinary Shares granted to the named executive officers on May 16, 2017, May 26, 2017, January 2, 2018, January 2, 2019 and September 19, 2019 and target performance-based restricted Ordinary Shares granted to the named executive officers on May 26, 2017, January 2, 2018, January 2, 2019 and September 19, 2019 in each case computed in accordance with FASB ASC Topic 718. The amount also includes the aggregate grant date fair value of time-based restricted Ordinary Shares granted to Mr. Hymel on November 1, 2018. For information regarding the Company's assumptions made in the valuation of performance-based equity awards, see Note 12 to the Consolidated Financial Statements contained in our Annual Report on Form 10-K.

The table below shows the dollar value of performance-based equity awards for each named executive officer assuming that (i) on the grant date of the awards the highest level of performance was probable, (ii) the maximum value of the awards will be earned and (iii) the value per ordinary share upon maximum vesting is the closing price per Ordinary Share on the NASDAQ on the date of grant. The values of the performance-based equity awards are dependent on the Company's performance over a three-year period and there is no assurance that the maximum value of the awards will be earned.

2019 Bonuses

For 2019, all of the named executive officers' MIP payments were based on achieving an annual adjusted EBITDA goal established by the Compensation Committee. As established by the Compensation Committee, payments under the MIP for 2019 could have paid out as follows: 0% for below-threshold performance; 50% of target for threshold performance; 100% for target performance; and 200% of target for maximum performance. For actual performance between the specified threshold, target and maximum levels, the resulting achievement percentage is adjusted on a linear basis.

2019 Equity Awards Pursuant to the Long-Term Incentive Plan

In December 2018, the Compensation Committee, taking into consideration market information and each named executive officer's potential contribution to our long-term strategy and success, among other factors, determined a targeted value of 2019 equity awards to be issued to each of the named executive officers in 2019 pursuant to the 2017 Plan. Based on the fair market value per share of the Company's ordinary shares in January 2019, there were not sufficient shares available in the 2017 Plan to issue awards at the Committee's targeted values. Therefore, the Compensation Committee of the Board broke the 2019 equity awards into two

installments. The first set of awards approved by the Compensation Committee were granted on January 2, 2019, representing a portion of the targeted award value based on the fair market value per share of \$6.99 on the grant date. At the Company's 2019 annual general meeting, our shareholders approved an amendment to the 2017 Plan to increase the number of shares available for issuance. The Compensation Committee subsequently approved awards representing the remainder of the targeted 2019 award value, which were granted on September 19, 2019, based on the fair market value per share of \$7.92 on the grant date.

Each of the January and September awards consist of 50% time-based restricted shares, vesting pro rata over three years, and 50% performance-based restricted shares. The performance-based restricted shares vest 50% each based on achievement of absolute total shareholder return ("TSR") goals and adjusted EBITDA three-year compound annual growth rate goals, each established by the Compensation Committee for the performance period of January 2, 2019 through December 31, 2021. At the time of grant the Compensation Committee believed that it would be challenging for the Company to achieve these performance goals.

The total number of performance-based restricted shares that are earned based achievement of these goals is based on an achievement factor (expressed as a percentage of the number of target shares) ranging from a 0% payout for below threshold performance, to 50% for threshold performance, to 100% for target performance, and up to 150% for maximum performance. For actual performance between the specified threshold, target and maximum levels, the resulting achievement percentage will be adjusted on a linear basis.

The following table summarizes the 2019 awards:

	Total Long-Term Incentive Annual Target Value	Time-Based Restricted Stock Award Annual Grant		Performance-Based Restricted Stock Award Annual Grant	
		Target Value	Number of Shares ⁽¹⁾	Target Value	Number of Shares
Bruce Wardinski	\$2,500,003	\$1,250,005	172,507	\$1,249,998	172,506
Ryan Hymel	\$ 900,004	\$ 450,006	62,103	\$ 449,998	62,102
Alex Stadlin	\$1,000,000	\$ 500,004	69,003	\$ 499,996	69,002
Kevin Froemming	\$ 750,002	\$ 375,001	51,752	\$ 375,001	51,752

⁽¹⁾ The amount reflected for Mr. Wardinski does not include the time-based restricted ordinary shares granted to him in February 2019 pursuant to his election to receive his 2018 MIP award in stock in lieu of cash. Please see footnote (1) of the Summary Compensation table.

2017 – 2019 Performance-Based Share Awards

In 2017, the Compensation Committee issued performance-based restricted share awards for all named executive officers for the performance period of January 1, 2017 through December 31, 2019 pursuant to the 2017 Plan. The performance-based restricted shares would vest 50% each based on achievement of absolute TSR goals and adjusted EBITDA three-year compound annual growth rate goals, each established by the Compensation Committee at the beginning of the performance period. Awards would be paid out in ordinary shares and would range from 0% payout for below-threshold performance, to 50% of target for threshold performance, 100% for target performance, and 150% of target for maximum performance. For actual performance between the specified threshold, target and maximum levels, the resulting achievement percentage is adjusted on a linear basis.

The chart below outlines the goals established by the Compensation Committee for the performance period and the results.

Total Shareholder Return Goal				
<u>Threshold</u>	<u>Target</u>	<u>Maximum</u>	<u>Results</u>	<u>% Goal Achieved</u>
8.0%	12.0%	16.0%	(7.9)%	— %

The Company did not achieve the threshold goal established for either performance measure, and therefore no named executive officer received ordinary shares at the conclusion of the performance period. Under our 401(k) plan, employees are eligible to defer a portion of their salary, and we, at our discretion, may make a matching contribution and/or a profit-sharing contribution. Employees are able to participate in the 401(k) plan on their first day of employment and are able to defer compensation up to the limits established by the Internal Revenue Service. We currently match 100% of each employee’s contributions up to the first 3% of the employee’s base salary and 50% of the next 2% of the employee’s base salary, although we, in our sole discretion, may at any time or from time-to-time determine to discontinue matching employee contributions or change the level at which we make any matching contributions. Our contributions vest immediately. The employee contributions and our match are invested in selected investment alternatives according to the employee’s directions. The 401(k) plan and its trust are intended to qualify under Sections 401(a) and 501(a) of the Code as a tax qualified retirement plan. Contributions to the 401(k) plan and earnings on those contributions are not taxable to the employee until distributed from the 401(k) plan and matching contributions are deductible by us when made subject to applicable Code limits.

Mr. Wardinski, our subsidiary, Playa Resorts Management, LLC ("Playa Management"), and us, solely with respect to Mr. Wardinski's appointment as our Chief Executive Officer and Chairman of our Board, entered into an employment agreement on December 28, 2018, which was amended on December 16, 2019. Mr. Wardinski's employment agreement provides for an initial period of employment that ends on December 31, 2023, subject to an automatic extension until December 31, 2024 unless either Playa Management or Mr. Wardinski elects not to extend the term by providing written notice to the other party at least 180 days prior to December 31, 2023 ("*Non-Renewal Notice*"). Mr. Wardinski serves as the Chief Executive Officer of Playa Management, Chairman of the Board of Managers of Playa Management (the "*Playa Management Board*"), our Chief Executive Officer and Chairman of our Board.

Mr. Wardinski's employment agreement provides for a base salary of \$750,000 (as may be increased by our Board), an annual discretionary bonus opportunity targeted at 125% of base salary (subject to a maximum of 200% of base salary) and the opportunity to participate in any equity compensation plan, other incentive compensation programs and other health, benefit and incentive plans offered to other senior executives of Playa Management. - an aggregate amount equal to two times his base salary at the rate in effect on his last day of employment (the "*Wardinski Severance Payment*"), paid in 24 equal monthly installments;
- additional monthly payments equal to \$1,500 for a period of 24 months for the purpose of covering Mr. Wardinski's health insurance, subject to cessation if Mr. Wardinski becomes eligible to obtain insurance coverage from another group insurance plan (the "*Wardinski Additional Amount*"); and
- a pro rata share of his discretionary annual bonus relating to the year in which his employment ceases.

In the event Mr. Wardinski is terminated without "Cause" or Mr. Wardinski resigns for "Good Reason" following a "Change in Control," as those terms are defined in the employment agreement (a "*Change in Control Termination*"), Mr. Wardinski will be eligible to receive the payments set forth above, provided however that the

In addition, in the event of Mr. Wardinski's death, Mr. Wardinski's estate shall be entitled to the fully vested but unpaid rights as required by the terms of any bonus or other incentive pay plan or any other employee benefit plan.

2020 Compensation Decisions

Base Salary

Following the Compensation Committee's approval of 2020 compensatory arrangements for our executive officers, the COVID-19 pandemic began to have a material adverse effect on the Company's operations and the Company suspended operations at its resorts, reduced its capital investments and began to implement other expense-reduction measures, including compensation reductions. On April 1, 2020, the Compensation Committee approved a temporary reduction in the base salaries for our named executive officers effective March 29, 2020 as follows:

<u>Name</u>	<u>2019 Base Salary</u>	<u>Percent Decrease</u>	<u>2020 Base Salary</u>
Bruce Wardinski	\$750,000	(100)%	\$ —
Alex Stadlin	\$550,000	(50)%	\$275,000
Ryan Hymel	\$425,000	(30)%	\$297,500
Kevin Froemming	\$445,000	(35)%	\$289,250

Management Incentive Plan

For 2020, the Compensation Committee determined, following the recommendation of Mr. Wardinski, that the other named executive officers will have 75% of their bonus payments based on achieving the 2020 adjusted EBITDA objective and 25% based on achieving pre-determined management goals approved by the Compensation Committee, with awards of 175% of target for extraordinary performance. Mr. Wardinski will continue to have 100% of his bonus payment based on achieving the 2020 adjusted EBITDA objective and has the opportunity to receive 200% of target for extraordinary performance.

Long-Term Incentive Plan

The Compensation Committee approved EBITDA per share Compounded Annual Growth Rate (CAGR) to replace EBITDA CAGR as one of the performance measures for named executive officers under the performance-based stock award for the 2020-2022 performance period. The remaining 2020 annual long-term incentive opportunity has similar terms and conditions for named executive officers as have been in effect for 2017, 2018 and 2019, pursuant to the 2017 Plan.

Stock Ownership Guidelines

Our current stock ownership guidelines require the Chairman and CEO and other named executive officers to own and maintain a substantial stake in Playa to align their interests with those of other shareholders. Mr. Wardinski and our other named executive officers are required to accumulate shares through shares owned outright, excluding unvested/unearned shares and any unexercised stock options, should this award type be granted in the future, with a value equivalent to a target multiple of their base salary within five years of their appointment to their position. They are required to retain fifty percent (50%) of the net after-tax shares received upon vesting or exercise of their equity awards until guidelines are met. The Chairman and CEO is required to own a minimum of six times his base salary and other named executive officers are required to hold three times their base salary. The Compensation Committee reviews stock ownership annually and the Chairman and CEO and our other named executive officers have all achieved the stock ownership guideline in effect for their position.

Deductibility of Executive Compensation

Section 162(m) of the Internal Revenue Code denies a federal income tax deduction for certain compensation in excess of \$1.0 million per year paid by a publicly held corporation to each of its “covered employees.” Prior to the enactment of the Tax Cuts and Jobs Act, which was signed into law on December 22, 2017 (the “TCJA”), a publicly held corporation’s covered employees included its chief executive officer and three other most highly compensated executive officers serving at the end of the taxable year (other than the chief financial officer), and certain “qualified performance-based compensation” was excluded from the \$1.0 million deduction limit. The TCJA made certain changes to Section 162(m), effective for taxable years beginning after December 31, 2017. These changes include, among others, expanding the definition of “covered employee” to include a publicly held corporation’s chief financial officer and any individual who was a covered employee of the corporation in any taxable year beginning after December 31, 2016, and repealing the qualified performance-based compensation exception, subject to a transition rule for remuneration provided pursuant to a written binding contract which was in effect on November 2, 2017, and which was not modified in any material respect on or after that date. Our policy is to qualify compensation paid to our executive officers for deductibility for federal income tax purposes to the extent feasible. However, to retain highly skilled executives and remain competitive with other employers, our Compensation Committee may authorize compensation that would not be deductible under Section 162(m) of the Code or otherwise if it determines that such compensation is in the best interests of us and our shareholders.

On July 15, 2013, our Predecessor entered into a subscription agreement with HI Holdings, a wholly-owned subsidiary of Hyatt (the “*Hyatt Subscription Agreement*”). Pursuant to the Hyatt Subscription Agreement, HI Holdings purchased from our Predecessor 14,285,714 Ordinary Shares at a purchase price of \$7.00 per share, for an aggregate purchase price of \$100,000,000, and 26,785,714 preferred shares, at a purchase price of \$8.40 per share, for an aggregate purchase price of \$225,000,000.

We agreed under the Hyatt Subscription Agreement to indemnify HI Holdings for any breaches of our representations, warranties and agreements in the Hyatt Subscription Agreement, which indemnity is generally subject to (i) a deductible of \$10 million and (ii) a cap of \$50 million (other than for breaches of Company Fundamental Representations (as defined in the Hyatt Subscription Agreement, including representations regarding valid issuance of our Ordinary Shares and preferred shares, our organization, our capitalization and due authorization of the transactions), for which our indemnification liability is capped at \$325 million). The representations and warranties we made and our related indemnification obligations survive for varying periods from the closing date of the transactions contemplated in the Hyatt Subscription Agreement. Most of these representations have expired, but others are still in force (e.g., certain tax representations survive until the expiration of the applicable statute of limitations, and certain representations as to title of property survive indefinitely). In addition, we have agreed under the Hyatt Subscription Agreement to indemnify HI Holdings for:

- losses arising from the lack of operating licenses and noncompliance with certain environmental regulations at certain of our resorts in the Dominican Republic (subject to a deductible of \$500,000 and the \$50 million cap described above);
- losses suffered by HI Holdings resulting from, based upon or related to, in whole or in part, any failure of us or certain of our subsidiaries or any other person that is or has been affiliated with us to (x) timely pay or reserve, or cause to be paid or reserved, all taxes required to be paid or reserved for by any of them in relation to activities, arrangements and transactions undertaken prior to August 9, 2013 to sell, market, promote or otherwise offer hotel rooms owned by us or certain of our subsidiaries (or any other person that is or has been affiliated with us) and (y) accurately prepare and timely file, or cause to be accurately prepared and timely filed, with the appropriate taxing authorities all required tax returns related thereto (subject to a cap of \$20 million);
- losses arising from or based upon any untrue statement or alleged untrue statement of a material fact (except to the extent based on information supplied by HI Holdings) contained in the offering

memorandum for our Senior Notes due 2020, any amendment or supplement thereto, or in any materials or information provided to investors in the offering of our Senior Notes due 2020 by, or with the approval of, us in connection with the marketing of our Senior Notes due 2020 (which indemnity will not be subject to any of the deductible and cap limitations referred to above); and

- losses arising from our obligation to indemnify our prior parent for certain transaction-related taxes (which indemnity will not be subject to any of the deductible and cap limitations referred to above and which will be proportionally adjusted to HI Holdings' percentage ownership of our Ordinary Shares).

Any indemnity liability owed by us to HI Holdings under the Hyatt Subscription Agreement shall be payable, at our election, in immediately available funds and/or (so long as the Fair Market Value of our Ordinary Shares exceeds \$3.50 per share (as adjusted for share splits, combinations and other similar events relating to the ordinary shares)) in additional Ordinary Shares. "Fair Market Value" shall be the amount agreed by us and HI Holdings or, if no agreement is reached within 15 days of our election to pay in shares, determined by valuation experts appointed by the parties in accordance with a specified timetable.

The Hyatt Subscription Agreement is governed by Dutch law, with any disputes arising thereunder subject to binding arbitration in accordance with the rules of the Netherlands Arbitration Institute.

Hyatt Resort Agreements

Each of our subsidiaries that is an owner of an all-inclusive resort operating under one or both of the Hyatt Ziva or Hyatt Zilara brands (the "*Hyatt All-Inclusive Resort Brands*") has signed a franchise agreement and related services agreements with Hyatt governing the operation of that resort. We manage all of those resorts under a management agreement with each of Playa and any third party owner for whom Playa serves as hotel operator (each a "*Resort Owner*").

Under the Hyatt franchise agreement, Hyatt grants the Resort Owner the right, and the Resort Owner undertakes the obligation, to use Hyatt's hotel system and system standards to build or convert and operate the resort. Each franchise agreement has a 15-year term from the resort's opening date and Hyatt has two options to extend the term for an additional term of five years each, or 10 years in the aggregate. Hyatt provides initial and ongoing training and guidance, marketing assistance, and other assistance to the Resort Owner (and us as the resort's manager) in connection with the resort's development and operation. As part of this assistance, Hyatt reviews and approves the initial design and related elements of the resort. Hyatt also arranges for the provision of certain mandatory services, as well as (at the Resort Owner's option) certain non-mandatory services, relating to such resort's development and operation. In return, the Resort Owner agrees to operate the resort according to Hyatt's operating procedures and its brand, quality assurance and other standards and specifications. This includes complying with Hyatt's requirements relating to the central reservation system, global distribution systems and alternative distribution systems.

While our Predecessor did not pay any application fees for our Predecessor's existing Hyatt All-Inclusive Resort Brand resorts, the Resort Owners (including us) for any new Hyatt All-Inclusive Resort Brand resorts will be required to pay an application fee to Hyatt. The Resort Owners also pay Hyatt an ongoing franchise fee for all Hyatt All-Inclusive Resort Brand resorts.

Subject to its obligations under the Hyatt Strategic Alliance Agreement, Hyatt is free to develop or license other all-inclusive resorts Mexico, Costa Rica, the Dominican Republic, Jamaica and Panama (the "*Market Area*"), even under the Hyatt All-Inclusive Resort Brands. Additionally, outside of the Market Area, Hyatt is free to develop or license other all-inclusive resorts under the Hyatt All-Inclusive Resort Brands and other Hyatt brands at any time. Similarly, subject to our obligations under the Hyatt Strategic Alliance Agreement, we are allowed to operate any all-inclusive resort under a Playa-Developed Brand, such as the Panama Jack brand, under the Hyatt franchise agreements, provided that we implement strict informational and operational barriers between

our operations with respect to the Playa-Developed Brand and our operations with respect to the Hyatt All-Inclusive Resort Brands. Under the Hyatt franchise agreements, if any Brand Owner (as defined below) or Restricted Brand Company acquires any ownership interest in us, we are required to implement strict informational and operational barriers between our operations with respect to such brand and our operations with respect to the Hyatt All-Inclusive Resort Brands. Such information and operational barriers generally include restrictions on sharing of any Hyatt-related confidential or proprietary information with or participation of certain personnel employed by us in the strategic direction or operations of any hotel owned by a Brand Owner or a Restricted Brand Company.

If we violate the aforementioned restrictions in the Hyatt franchise agreements, Hyatt may terminate all (but not less than all) of its franchise agreements with us, provided that Hyatt delivers a termination notice to us within 180 days as specified in the franchise agreement, and we will be subject to liquidated damage payments to Hyatt.

A “*Playa-Developed Brand*” is a hotel concept or brand for all-inclusive resorts developed or acquired by us, of which we are the franchisor, licensor or owner, or for which we are the exclusive manager or operator, which brand is an upper upscale or higher standard, but does not include any existing hotel concept or brand that was owned by our Predecessor prior to September 1, 2016.

A “*Restricted Brand*” means any hotel concept or brand for all-inclusive hotels or resorts that is owned by or exclusively licensed to a Restricted Brand Company.

A “*Restricted Brand Company*” means each of Marriott International, Hilton Worldwide Inc., Starwood Hotels & Resorts Worldwide, Inc., InterContinental Hotels Group, Accor Hotels Worldwide or any of their respective affiliates or successors.

Pursuant to the Hyatt franchise agreements and our Articles of Association, subject to certain exceptions, (a) a Brand Owner is prohibited from acquiring our shares such that the Brand Owner (together with its affiliates) acquires beneficial ownership in excess of 15% of our outstanding shares, and (b) a Restricted Brand Company is prohibited from acquiring our shares such that the Restricted Brand Company (together with its affiliates) acquires beneficial ownership in excess of 5% of our outstanding shares. Upon becoming aware of either share cap being exceeded, we will send a notice to such shareholder informing such shareholder of a violation of this provision and granting the shareholder two weeks to dispose of such excess shares to an unaffiliated third party. Such notice will immediately trigger the transfer obligation and suspend the right to attend our general meeting and voting rights (together, “*Shareholder Rights*”) of the shares exceeding the cap of the shares exceeding the share cap. If such excess shares are not disposed by such time, (i) the Shareholder Rights on all shares held by the shareholder exceeding the share cap will be suspended until the transfer obligations have been complied with and (ii) we will be irrevocably authorized under our Articles of Association to transfer excess shares to a foundation until sold to a third party. Our franchise agreements provide that if the excess shares are not transferred to a foundation or an unaffiliated third party within 30 days following the earlier of the date on which a public filing is made with respect to either share cap being exceeded and the date our becomes aware of either share cap being exceeded as provided in the Hyatt franchise agreements, Hyatt will have the right to terminate all (but not less than all) of its franchise agreements with us, provided that Hyatt delivers a termination notice to our within 180 days as specified in the franchise agreement, and we will be subject to liquidated damage payments to Hyatt. A “*Brand Owner*” is any entity that (a) is a franchisor, licensor or owner of a Competing Brand (as defined below) or manages or otherwise operates hotels exclusively for the franchisor, licensor or owner of a Competing Brand (a “*Brand Company*”), (b) has an affiliate that is a Brand Company or (c) has a direct or indirect owner that is a Brand Company. A “*Competing Brand*” is a hotel concept or brand for all-inclusive hotels or resorts that has at least 12 hotels operating under that concept’s or brand’s trade name(s) anywhere in the world and that directly competes with any Hyatt All-Inclusive Resort Brand resort. The restriction on ownership by a Brand Owner will apply during the terms of our Hyatt franchise agreements and the restrictions on ownership by a Restricted Brand Company will apply until we have less than three franchise agreements in effect for the

operation of Hyatt All-Inclusive Resort Brand resorts and Hyatt owns less than 15% (on a fully-diluted, as-converted basis) of our Ordinary Shares, after which point the restriction on ownership by a Brand Owner will apply to that Restricted Brand Company (if it is a Brand Owner). The beneficial ownership in the aforementioned restrictions is determined under Rule 13d-3 promulgated under the Exchange Act.

Hyatt may also terminate all (but not less than all) of the Hyatt franchise agreements, provided that Hyatt delivers a termination notice to us within 180 days as specified in the franchise agreement, and we will be subject to liquidated damage payments to Hyatt if either (i) the Hyatt franchise agreements for three or more Hyatt All-Inclusive Resort Brand resorts have been terminated, or (ii) the Hyatt franchise agreements for 50% or more of the Hyatt All-Inclusive Resort Brand resorts (rounded up to the nearest whole number) have been terminated.

The Hyatt franchise agreements require us to pay liquidated damages to Hyatt if a franchise agreement is terminated under certain circumstances. The liquidated damages will be calculated in accordance with the various formulas set forth in a franchise agreement depending on the circumstances under which such franchise agreement is terminated. Further, the amount of liquidated damages will be increased if a franchise agreement is terminated due to the breach of the aforementioned restrictions on our activities and limits on the beneficial ownership of our Ordinary Shares.

In addition to the Hyatt franchise agreement, each Resort Owner has signed the following other agreements with Hyatt pertaining to the development and operation of the applicable Hyatt All-Inclusive Resort Brand resort:

- Under the trademark sublicense agreement, Hyatt grants a sublicense to the Resort Owner to use the Hyatt All-Inclusive Resort Brands and other proprietary marks, copyrighted materials, and know-how in the development and operation of the resort. The Resort Owner (and us as the resort's manager) must follow the rules and standards that Hyatt periodically specifies pertaining to the use and protection of its intellectual property. The Resort Owner pays Hyatt's sublicensing fees.
- Under the World of Hyatt frequent stayer program agreement, Hyatt LACSA Services, Inc. ("*Hyatt LACSA*") provides the Resort Owner with various services related to the World of Hyatt guest loyalty program (and its successor program) and the provision of preferences to the frequent guests of the Hyatt resorts. Participation in the program includes the agreement of each Resort Owner to allow the World of Hyatt guest loyalty program members to earn points in connection with stays at the resort and redeem the points at the resort. Hyatt LACSA also provides the Resort Owner with program services relating to various frequent flyer programs that various airlines operate. Participation in the program includes allowing members of the airline programs to earn miles in connection with their qualified stays at the resort and redeem miles at the resort. The Resort Owner reimburses Hyatt LACSA (or its affiliates, as applicable) for the resort's per-formula share of the cost of providing these services and Hyatt LACSA (or its affiliates) pays the Resort Owner a per-formula share of the revenue from stays by World of Hyatt guest loyalty program members who use points to pay for their hotel accommodations.
- Under the chain marketing services agreement, Hyatt LACSA provides (or causes to be provided) various marketing services to the Resort Owner, including business leads, convention sales services, business sales service and sales promotion services (including the maintenance and staffing of Hyatt's home office sales force and regional sales offices in various parts of the world), publicity, marketing to targeted, highly-valued frequent travelers via various methods of communication, arrangement of surveys designed to better understand motivation, satisfaction and needs of hotel guests, public relations, and all other group benefits, services and facilities, to the extent appropriate and caused to be furnished to other relevant participating hotels and resorts. The Resort Owner reimburses Hyatt LACSA (or its affiliates, as applicable) for the resort's per-formula share of the cost of providing these services.
- Under the reservations agreement, Hyatt LACSA provides electronic and voice reservation services through the use of the following reservation methods and technologies: (a) telephone reservations

arranged through the international reservation centers located, from time to time, in various locations throughout the world; (b) reservations through the websites of Hyatt LACSA and its affiliates; and (c) reservations through connection to global distribution systems such as Amadeus/System One, Apollo/Galileo, Sabre (Abacus) and Worldspan. The reservations services also include the maintenance of the computers and related equipment and staffing of Hyatt LACSA's (and its affiliates') reservation centers located throughout the world and related research and development activities to support such reservation centers. The Resort Owner reimburses Hyatt LACSA (or its affiliates, as applicable) for the resort's per-formula share of the cost of providing these services.

During the years ended December 31, 2019, 2018, and 2017, we incurred approximately \$17.4 million, \$16.7 million and \$14.1 million, respectively, in fees pursuant to the Hyatt Resort Agreements.

The Hyatt Strategic Alliance Agreement

Playa has entered into the Hyatt Strategic Alliance Agreement with Hyatt pursuant to which we and Hyatt have provided each other a right of first offer with respect to any proposed offer or arrangement to acquire the rights to own and operate an all-inclusive hotel property at the level of quality and service consistent with the Hyatt All-Inclusive Resort Brands (a "*Hyatt All-Inclusive Opportunity*") in the Market Area. If we intend to accept a Hyatt All-Inclusive Opportunity, we must notify Hyatt of such Hyatt All-Inclusive Opportunity and Hyatt has 10 business days to notify us of its decision to either accept or reject this Hyatt All-Inclusive Opportunity. If Hyatt accepts the Hyatt All-Inclusive Opportunity, we must negotiate in good faith with Hyatt the terms of a franchise agreement and related documents for a Hyatt All-Inclusive Resort Brand with respect to such property, provided that we acquire such property on terms acceptable to us within 60 days of offering such opportunity to Hyatt. If Hyatt intends to accept a Hyatt All-Inclusive Opportunity, Hyatt must notify us and we have to notify Hyatt within 10 business days of our decision to either accept or reject this Hyatt All-Inclusive Opportunity. If we accept the Hyatt All-Inclusive Opportunity, Hyatt must negotiate in good faith with us the terms of a management agreement and related documents under which we would manage such Hyatt All-Inclusive Resort Brand resort (subject to a franchise agreement between Hyatt and the affiliate of Hyatt that would own such property), provided that Hyatt acquires such property on terms acceptable to it within 60 days of offering such opportunity to us. If we or Hyatt fail to notify each other of its decision or declines its right of first offer within the aforementioned 10 business day period, or if we or Hyatt determine after good-faith discussions that we cannot reach mutual acceptance of terms under which the development property would be licensed as a Hyatt Ziva or Hyatt Zilara hotel, such right of first offer will expire and we or Hyatt will be able to acquire, develop and operate the property related to such Hyatt All-Inclusive Opportunity free of any restrictions. In addition, if either party is approached by a third party with respect to the management or franchising of an all-inclusive resort in the Market Area, and such third party has not identified a manager or franchisor for the resort, the parties have agreed to notify each other and provide an introduction to the third party for the purposes of negotiating a management agreement or franchise agreement, as the case may be. On February 26, 2018, we and Hyatt extended the term of the Hyatt Strategic Alliance Agreement until on December 31, 2021 unless earlier extended by each party.

Indemnification Agreements

Our Articles of Association provide for certain indemnification rights for our directors and executive officers, and we entered into an indemnification agreement with each of our executive officers and directors providing for procedures for indemnification and advancements by us of certain expenses and costs relating to claims, suits or proceedings arising from his or her service to us or, at our request, service to other entities, as officers or directors to the maximum extent permitted by Dutch law.

Review, Approval or Ratification of Transactions with Related Persons

Consistent with Dutch law and our Articles of Association, we adopted a code of business conduct and ethics. The code of business conduct and ethics includes a policy requiring that our Board review any transaction

a director or executive officer proposes to have with Playa that could give rise to a conflict of interest or the appearance of a conflict of interest, including any transaction that would require disclosure under Item 404(a) of Regulation S-K. In conducting this review, our Board will be obligated to ensure that all such transactions are approved by a majority of our Board (including a majority of independent directors) not otherwise interested in the transaction and are fair and reasonable to us and on terms not less favorable to us than those available from unaffiliated third parties.

SECURITY OWNERSHIP OF CERTAIN BENEFICIAL OWNERS AND MANAGEMENT

The following table sets forth information regarding the beneficial ownership of our Ordinary Shares as of May 25, 2020 by:

- each person who is an executive officer of our Company;
- each person who is a non-executive director of our Company;
- each person who is the beneficial owner of more than 5% of our outstanding Ordinary Shares; and
- all executive officers and directors of our Company as a group.

The SEC has defined “beneficial ownership” of a security to mean the possession, directly or indirectly, of voting power and/or investment power over such security. A shareholder is also deemed to be, as of any date, the beneficial owner of all securities that such shareholder has the right to acquire within 60 days after that date through (a) the exercise of any option, warrant or right, (b) the conversion of a security, (c) the power to revoke a trust, discretionary account or similar arrangement, or (d) the automatic termination of a trust, discretionary account or similar arrangement. In computing the number of shares beneficially owned by a person and the percentage ownership of that person, Ordinary Shares subject to options or other rights (as set forth above) held by that person that are currently exercisable, or will become exercisable within 60 days thereafter, are deemed outstanding, while such shares are not deemed outstanding for purposes of computing percentage ownership of any other person. Each person named in the table has sole voting and investment power with respect to all of the Ordinary Shares shown as beneficially owned by such person, except as otherwise indicated in the table or footnotes below. Information with respect to beneficial ownership is based on our records, information filed with the SEC or information furnished to us by each director, director nominee, executive officer or beneficial owner of more than 5% of our Ordinary Shares.

The beneficial ownership percentages set forth in the table below do not take into account the potential issuance of up to 2,987,770 Ordinary Shares that may be issued upon the exercise of outstanding warrants, which become exercisable in the event that the price per share underlying the warrants on the NASDAQ is greater than \$13.00 for a period of more than 20 days out of 30 consecutive trading days within the five years following March 12, 2017.

Unless otherwise indicated, we believe that all persons named in the table below have sole voting and investment power with respect to all shares of capital stock beneficially owned by them. To our knowledge, no ordinary shares beneficially owned by any of our executive officers or directors have been pledged as security.

Unless otherwise indicated, the address of each person named below is c/o Playa Hotels & Resorts N.V., Prins Bernhardplein 200, 1097 JB Amsterdam, the Netherlands.

Information About Our 2021 Annual General Meeting: Shareholder Proposals and Shareholder Access

Because the Company is a Dutch public limited company whose shares are traded on a U.S. securities exchange, both U.S. and Dutch rules and time frames apply if shareholders wish to submit a proposal for consideration by Playa shareholders at the 2021 annual general meeting of shareholders. Under Dutch law and the Company's Articles of Association, if a shareholder is interested in submitting a proposed agenda item or a proposed resolution within the authority of shareholders to be presented at the 2021 annual general meeting of shareholders, the shareholder must fulfill the requirements set forth in Dutch law and the Company's Articles of Association, including satisfying both of the following criteria:

- the Company must receive the proposed agenda item (supported by reasons) or proposed resolution in writing or by electronic means no later than 60 days before the date of the 2021 annual general meeting of shareholders (which date has not yet been declared by the Board); and
- the number of shares held by the shareholder, or group of shareholders, submitting the proposed agenda item or proposed resolution represent at least 3% of the Company's issued share capital.

Under the Dutch Corporate Governance Code, if shareholders intend to request that an item be put on the agenda as described above that may result in a change in the Company's strategy, for example as a result of the dismissal of one or several Board members, the Board should be given the opportunity to invoke a reasonable period of up to 180 days during which to respond to such request. If invoked, the Board should use the response time for further deliberation and constructive consultation, in any event with the relevant shareholder(s) requesting the agenda item, and the Board should explore the alternatives. At the end of the response time, the Board should report on this consultation and the exploration to the shareholders meeting. A response time may be stipulated only once for any given shareholders meeting and should not apply to an item in respect of which the response time had been previously stipulated, or to meetings where a shareholder holds at least 75% of the issued capital as a consequence of a successful public bid.

Consistent with established Dutch law and the Company's Articles of Association, executive directors and non-executive directors are appointed by the general meeting from a binding nomination proposed by the Board. The proposed candidate specified in a binding nomination shall be appointed provided that the requisite quorum is represented in person or by proxy at the general meeting, unless the nomination is overruled by the general meeting voting against the appointment of the candidate by a resolution adopted with at least a simple majority of the votes cast, provided that such votes represent more than 50% of the Company's issued share capital.

Pursuant to U.S. federal securities laws, if a shareholder wishes to have a proposed agenda item or a proposed resolution within the authority of shareholders included in the Company's proxy statement for the 2021 annual general meeting of shareholders, then in addition to the above requirements, the shareholder also needs to follow the procedures outlined in Rule 14a-8 of the Exchange Act. If you wish to submit a proposal intended to be presented at our 2021 annual general meeting of shareholders pursuant to Rule 14a-8, your proposal must be received by us no later than February 2, 2021, and must otherwise comply with the requirements of Rule 14a-8 and Dutch law in order to be considered for inclusion in the 2020 proxy statement and proxy.

Any proposed agenda item or proposed resolution within the authority of shareholders under the Company's Articles of Association or pursuant to Rule 14a-8 for our 2021 annual general meeting of shareholders should be sent to our registered office in the Netherlands at the following address:

The Right of Shareholders to Request a Shareholder Meeting

Under Dutch law and the Company's Articles of Association, shareholder meetings can be convened at the request of shareholders with due observance of article 2:110 of the Dutch Civil Code, which is the article that addresses this subject under Dutch law. That provision of Dutch law provides that only one or more shareholders representing at least ten percent (10%) of the issued share capital may make a request to the Board to convene a meeting within six weeks and also provides a procedure to approach the Dutch court in preliminary relief proceedings in Amsterdam, if the Board fails to call such a meeting. The provisions under the Dutch Corporate Governance Code relating to invoking a response time, as described above, apply *mutatis mutandis* if shareholders request the convening of a shareholders meeting.

Shareholders Sharing the Same Address

The Company is sending only one copy of its proxy statement to shareholders who share the same address, unless they have notified the Company that they want to continue receiving multiple copies. This practice, known as "householding," is designed to reduce duplicate mailings and save significant printing and postage costs as well as natural resources.

If you received househanded mailing this year and you would like to have additional copies of the Company's proxy statement mailed to you, or you would like to opt out of this practice for future mailings, please submit your request to Tracy Colden, Secretary, Playa Hotels & Resorts N.V., 1560 Sawgrass Corporate Parkway, Suite 310, Fort Lauderdale, Florida, 33323 or by phone at 1-866-540-7095. You may also contact the Company if you received multiple copies of the annual general meeting materials and would prefer to receive a single copy in the future.

Other Matters

The Dutch Civil Code does not permit any business to be voted on at the AGM other than that stated in the notice of meeting unless the matter is unanimously approved by all votes cast and all issued shares are represented in person or by proxy the AGM.
